WIFAK Humanitarian Association:

A non-profit civil association with an independent legal personality, duly licensed in Turkey, working in the humanitarian and developmental field and seeking to alleviate the suffering of human beings, focusing its work on Syrians inside and outside Syria.

Introduction:

The year of 2018 witnessed many events in Syria that affected the humanitarian work in all its details. These events played a major role in focusing on certain area and increase the number of projects implemented there. We will clarify in this report the work of WIFAK during the year and the major events that took place.

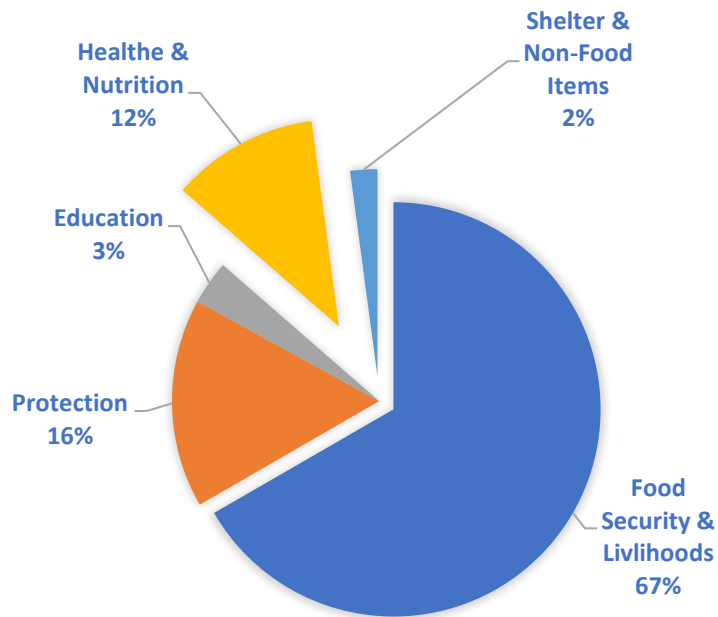

Highlights of the year:

- 1- The dramatic increase of the siege on the people of the eastern Ghouta.
- 2- Displacing large numbers of the population of the eastern Ghouta.
- 3- The displacement of Daraa.
- 4- The displacement of Homs countryside.
- 5- The deteriorating situation of refugee camps in northern Syria.
